The music recital given by Miss Arah Gatlin last Friday night was enjoyed by all. She has organized a music club, which will meet every two weeks at the children's homes; this will be a great benefit for her students. Miss Gatlin is doing good work with her class.

The little son of Mr. and Mrs. A. Z. Williams was taken to the Hamlet hospital a few days ago for a very serious operation, and is now doing as well as could be expected. We hope for the child a speedy recovery.

Mrs. J. R. Bennet gave a week-end house party for her sister, Miss Lucy O'Brien, and her guests were, Miss Arah Gatlin, of Raeford, Miss Marie Fasnacht, of Charlotte, Mr. C. L. Richard, and Mr. J. F. Kerslake, of Camp Wadsworth, Spartanburg, S. C.

Miss Helen Yow, of Ellerbe, and Mr. Colon Hurley, of Biscoe, were married Friday night at Rockingham, Rev. B. F. Watson officiating.

The many friends of Miss Lena McLeod, who is in the Charlotte sanatorium, will be glad to know she is improving.

The H. W. F. Co. has bought out the stock of goods owned by Mr. Charlie Webb, and Mr. Webb now holds a position with the Bennett, Maness Drug Co.

Rev. D. P. Bridges will return this week from Denver, Col., where he was called to see his brother, who is seriously ill, and we are sorry to say he is not improving.

Miss Honolulu Farlow returned Monday night from Greensboro, where she has been for some time with her mother, who has been sick with pneumonia, and we are glad to say that Mrs. Farlow is up, and will be able to return to her home in Ellerbe soon.

Miss Blanche Ingram, of Rockingham, spent the week-end with her mother, Mrs. Belle Ingram. JOSH.

**EASY MATTER FOR MEN OR WOMEN****TO BUILD UP STRENGTH**

According To This Lady Who Regained Her Weight, Found New Strength and Vigor In Just Plain Iron Remedy.

Highly Concentrated it is  
More Powerful, Cheaper  
Too and Goes Twice  
As Far.

"I have suffered for years with various troubles. I seemed all run down and failing fast. I imagine it was stomach trouble and bad liver principally that brought on all the complications that came later. I tried several doctors and sent away to Buffalo, N. Y., but their medicine did me no good. Indigestion, sour bitter eruptions from my stomach, flatulence, biliousness, torpid liver, weak and nervous feelings, headaches, poor blood and catarrh of long standing, head noises and aches and pains came until honestly when I look back at those months and months of suffering I wonder how I stood it all. Trying to keep store and look cheerful with such ailments tugging and pulling you down is awfully hard. I owe my relief to a salesman who walked in one day when I was suffering particularly bad and he told me about Acid Iron Mineral. He had been troubled in the same way I was until he took Acid Iron Mineral and so on his recommendation I started taking this great remedy. I took three bottles of it and it did me a world of good. I feel better than I have in years. I am blessed with wonderful health and strength thanks to A. I. and I now weigh 150 pounds, while before taking it I had almost given up ever being well and strong again. I praise it because I'm sure there can be no medi-

cine on the market today that will beat Acid Iron Mineral," enthusiastically states Mrs. E. Shortt, of Van Dyke, Va.

Any one, by taking a few drops of Acid Iron Mineral mixed in water two or three times a day can be benefitted wonderfully. It is just plain highly concentrated natural iron. It is more powerful and cheaper than weaker prepared pills or preparations containing iron as the chief medicinal element. Everyone knows iron is good for the blood and whole system, building people up like magic. The reason is plain. To make rich blood you must have iron. Without rich red blood your strength leaves you, blood gets clogged up very often with uric acid causing rheumatism troubles and the whole system becomes weakened and run down.

Being very powerful a few drops in a glass of water makes a dose. It is sold only in original bottles under "A.I.M." trademark on bottle and carton. This is your guarantee of full strength and quality. Most druggists have it and a twelve ounce bottle costs but about a dollar and is a splendid investment if the reader is in search of something to cleanse, build up and strengthen the system. Pallid, yellow, complexions soon disappear if the thousands of users of the past thirty years are to be believed. Get a bottle today.

"Sold in Rockingham by McLaurin's Drug Store and good stores everywhere."
